

**Annie Day Shepard Scholars
Mentor Application
FACULTY/STAFF/ALUMNAE**

The Annie Day Shepard Scholars (ADS) Program inspires and supports undergraduate women to become engaged, confident and connected leaders in the North Carolina Central University community and beyond. <http://www.nccu.edu/womenscenter>

Upperclass mentors, faculty and North Carolina Central University alumnae provide an empowering environment. Scholars are expected to positively influence the culture for women at North Carolina Central University, offering new ideas about how to measure academic and social success.

APPLICATIONS WILL BE ACCEPTED FROM FEMALE STUDENTS, FACULTY, STAFF AND ALUMNAE

STUDENTS: If you are interested in being a volunteer mentor with the Women's Center, please complete this application by **Thursday, January 5, 2012**. Bring the completed application to the Women's Center (Former ROTC Building) or email a scanned version to womenscenter@nccu.edu.

- 1) Full Name: _____

BY SUBMITTING THIS APPLICATION, I AGREE TO THE FOLLOWING TERMS. I ALSO UNDERSTAND THAT IF I DO NOT FOLLOW THESE GUIDELINES, I MAY LOSE THE PRIVILEGE OF MENTORING WITH WILL, AS MY POSITION COULD BE OFFERED TO ANOTHER PERSON:

- 1) I agree to attend all meetings prior start of the program. Meetings will be scheduled at the most convenient times for the mentors and students. If I cannot attend, I will have a valid reason and will notify the appropriate individual 24 hours in advance to be updated on the material missed during the meeting.

Dates:

Mentor Orientation- Wednesday Jan 18 at 6pm; Meet your Mentee event- Thursday, January 26.

- 2) I agree to obey all NCCU policies and procedures regarding student code of conduct during all program activities.
- 3) I agree to dedicate my attendance to this program to guide students towards their respective path of interest.
- 4) I agree that if I am chosen to mentor for the program, but choose to not attend for an unacceptable reason, I will notify the Women's Center so they can find a replacement since the mentor - student ratio is one of the keys to the success of this program.
